When Jim McCusker opened The Pub in 1965 he did it with one thought in mind: To provide his hometown with a familiar place where people could sit down and meet for some quality food, drink, and service.

The menu boasts a wide array of specialties including beef on weck, pizzas, soups, and Mary's old-fashioned Italian cooking.

With a bar that encourages conversation, we guarantee you'll walk in a stranger and leave a friend.

There's no shortage of stories here!
